990 - EZ, Part III Statement of Program Service Accomplishments

Organization's primary exempt purpose:

The Tibetan Children's Education Foundation is a nonprofit corporation founded in 1995 and dedicated to the preservation of Tibetan culture by supporting Tibetan schools and school children in exile from their homeland.

Description of Achievements in Carrying Organization's Exempt Purpose

Cultural Tour 2009

One of the major aims of our Foundation to help preserve Tibetan culture is to raise awareness of this unique culture here in the West. This year we organized a Tibetan Sand Mandala Tour. The creation of sand mandalas is unique to the Tibetan culture. The mandalas are created with the intent of bringing healing and peace to the region and always dismantled to underline the Buddhist philosophy of everything being impermanent. Our tour this year included venues in the four states: Montana, North Dakota, Washington and California. In all, we did nine sand mandala construction events. Each mandala construction event lasted three to five days. We were very fortunate to have the Ven. Ngawang Chojor - one of the best Tibetan sand mandala creators on the tour. At each venue, besides creating the sand mandala, Ven. Ngawang Chojor gave presentations on this unique art form. The response to the tour was very encouraging. As always, these cultural events gave us great platforms to talk about the work of our Foundation, find sponsors for the education of Tibetan children in exile and support for our programs.

Major expenses for the tour included artist's fee and travel, boarding, lodging for the sand mandala artists and accompanying staff during the tour. Major income from the tour came from donations to our general fund and funds for the sponsorship programs.

Sponsorship Programs

Kyitsel-ling Sponsorship Program: Individual sponsors contribute \$25 to \$45 a month to support the education of needy Tibetan children staying at Kyitsel-ling Tibetan Children's Education Center in India. Kyitsel-ling provides board, lodging and meets all school related expenses with this sponsorship money.

Kyitsel-ling Outreach Sponsorship Program: Individual sponsors contribute \$25 to \$45 a month to support the education of needy Tibetan children outside Kyitsel-ling that are supervised by Kyitsel-ling.

College Sponsorship Program: Many of the children that who received their school education through our sponsorship program are now graduating high school. The TCEF board decided to make efforts to support the college education of the brightest of these. We made a small beginning in 2008 by sponsoring the education of one child in college. The beneficiary of this sponsorship was again selected by a selection committee headed by the Director of Kyitsel-ling Tibetan Children's Education Center, N. India on the basis of merit and need. The sponsorship is worth \$1000 per year and 100% of it goes directly to the selected student.

This program continues to grow slowly. This year, we've found support for one more student to attend college. So at this time we have two students in college in this program.

Grandparent's Fund:

Living stipends for Elderly: This is an effort to help elderly Tibetan in need - those who are sick, those with no children or other family members to provide for them etc. Individual sponsors contribute \$20 to \$30 a month to support these elders in need.

Other Programs:

Lunch Program, Yuksom Sikkim

Dubdi Monastic School is located in Yuksom Village western Sikkim, India. TCEF began a lunch program for this small monastic school in 2008. There are between 24 -30 young monks from very poor families receiving their education here. This monastic school is a one room schoolhouse with no electric and no heat. There are few books that are shared between all the children and each child has only one thin notebook and they use their pencils down to tiny stubs. The need continued to there in this monastery and so we continued our lunch program support to Dubdi Monastery in 2009 also.

Zuluk Project

Zuluk is a remote area in the Indian state of Sikkim. The residents of this village are very poor and mostly illiterate. Lama Paljor - our local partner here has made an effort to help educate the children in this area. The need is great here and TCEF is committed to doing all that we can to help educate the children - mostly Tibetan and low caste Nepali origin.
