### STATEMENT 1 ACCOUNTING METHOD

The Foundation's financial accounting records are maintained on an accrual basis. Therefore, all book values reported are those which reflect accrual basis. For purposes of the excise tax on net investment income, however, cash basis is used because (1) IRS consent to a change in accounting method has not been obtained, and (2) cash basis is required, in any event in accounting for disbursements for charitable purposes [Part I, Col. (d)]
