Part III

Statement of Program Service Accomplishments

1 Briefly describe the organization’s mission

The Alliance for Climate Protection (Alliance) is a not-for-profit organization that was founded by Former Vice President Al Gore. The Alliance is a unique, single-purpose organization created for the purpose of igniting public action to solve the climate crisis. The international community is in agreement that we only have a short time to act in order for the next generation to inherit a healthy earth. However, while public awareness is now high, climate activists should take little comfort - urgency and a sense of solvability remain alarmingly low. Without public support to solve the climate crisis, U.S. leadership will not address the issue domestically and negotiation of an effective international treaty will be impossible. The Alliance mission is to persuade the American people, and people elsewhere in the world, of the importance and urgency of adopting and implementing effective and comprehensive solutions for the climate crisis.
