Supplemental Information

Complete this part to provide the following information

- 1 Provide the description required for Part I, line 3c, Part I, line 6a, Part I, line 7g, Part I, line 7, column (f), Part I, line 7, Part III, line 4, Part III, line 8, Part III, line 9b, and Part V See Instructions

See additional data

- 2 Needs assessment. Describe how the organization assesses the health care needs of the communities it serves

See additional data

- 3 Patient education of eligibility for assistance. Describe how the organization informs and educates patients and persons who may be billed for patient care about their eligibility for assistance under federal, state, or local government programs or under the organization's charity care policy

Information is provided to the patient at the time of registration, both in writing and through direct discussion with patients Information is provided in the patient's bill Eligibility representative and financial counselors are located on site

- 4 Community information. Describe the community the organization serves, taking into account the geographic area and demographic constituents it serves

The hospital community consists of a small urban area and a large rural population in excess of 250,000 people, covering Northern Nevada and Eastern California, largest demographic is age 50 and above

- 5 Community building activities. Describe how the organization's community building activities, as reported in Part II, promote the health of the communities the organization serves

Due to the shortage of primary care physicians nationwide, CTHR has formed several partnerships with physicians to help maintain adequate coverage for our community These partnerships help keep crucial services available to our market by reducing physician overhead in light of decreasing reimbursement and allows physicians to focus on patient care Another way CTRH reinforces education and wellness is through Community partnerships

- 6 Provide any other information important to describing how the organization's hospitals or other health care facilities further its exempt purpose by promoting the health of the community (e g , open medical staff, community board, use of surplus funds, etc)

All accounts with patient balances will be referred to a contracted service that represents CTRH for guarantor follow up. Referral of Accounts to a Collection Agency proved guideline to ensure the integrity of the collection agency referral process and followup procedures. In addition, Patient Financial Services will notify all uninsured patients via hospital signage, personal interview, and via billing statements that they may qualify for charity provisions based on need and provide the contact information.

Form 990 Schedule H, Part VI - Supplemental Information, Line 2

Needs are currently based on direct patient and physician feedback, survey responses and best practice information from other organizations. The healthcare system relies on Intellimed services to report information on our migration of services within the primary and secondary markets then utilizes information gathered to formulate needs assessment. Our HealthCheck laboratory services offers health screening at discounted rates as a result of feedback from physicians and community requests. We work with Nevada State Health and Human services on identifying areas of need. CDC and Infection control monitor industry trends and advises possible areas of focus. Carson Tahoe is presently participating in a community health needs assessment of our entire service area through a professional research company. Results will be analyzed, communicated and necessary plan implemented.
