Statement of Program Service Accomplishments

1

Briefly describe the organization's mission

In 1937 Congress granted credit unions with a federal tax-exempt status based upon their cooperative structure - that they are operated entirely by and for their members. Despite the evolution of products and services and expanded fields of membership, credit unions continue to operate as democratically controlled cooperative institutions, serving only their members, on a not-for-profit basis. Congress ratified the federal tax-exemption on several occasions, most recently in 1998 with the enactment of H.R. 1151, the Credit Union Membership Access Act.
