Part III - Statement of Program Service Accomplishments

Code	Expenses	190,603	including Grants of	Revenue
Exempt Purpose Achievements				

There are many achievements accomplished by providing scholarships to students at Gonzaga University. The mission of the university is promoted by assisting students faced with the difficult challenge of affording the expense of private higher education. At Gonzaga students thrive academically and learn the value of an education that promotes and teaches social and ethical morals and responsibilities. Providing an even small amount of financial assistance can be the difference between attending a private university or not. The achievers that experience GU can take ownership of important life principles that reinforce the notion of the greater good in society rather than simply the good of one's self interests. Many students benefit from this program each and every year.
