2009 Program Accomplishments

Cascade Harvest Coalition and its programs were represented at 60 conferences, workshops, fairs and special events in 2009 and reached nearly a million people with information and resources about local farms and local food. Staff served on a number of food and farm related advisory boards to help promote regional consideration of food system issues and generate ongoing dialogue among the various groups addressing these issues. We also partnered with nearly a dozen organizations to do outreach, conduct workshops and improve program offerings.
