Form 990, Part VI, Section B, line 11		The 990 form is prepared by the independent audit firm that performs the annual audit and presents this audit report to the Board of Directors for official acceptance at a regularly scheduled Board meeting. The 990 is prepared using information from this approved audit, and is reviewed first by the Finance Director and the Executive Director. The form is then copied and distributed to the Finance/Executive Committee members and reviewed at the next meeting of that group. If there are no issues, or questions with regard to the 990, the form is submitted. An email is sent to all Board members that the 990 form is available for review in the Finance Director's office or copy can be sent to them if desired.
Form 990, Part VI, Section B, line 12c		Upon joining the Board, and then annually thereafter, all Board members sign a detailed conflict of interest policy that clearly defines the Board's responsibility to disclose any possible relationships or arrangements that could result in a conflict of interest as well as the procedure for dealing with these conflicts if they should arise. Compliance with the conflict of interest policy is monitored as conflicts arise and business decisions are made. Conflicts are discussed by decision makers at the time transactions are entered into.
Form 990, Part VI, Section B, line 15		The current Executive Director was recruited through an independent executive search firm who reviewed market compensation as part of the service provision. The Board hires this position and reviews and sets compensation annually. All other employees recruitment and compensation follow the same process. Application materials and resumes are screened for minimum qualifications by Human Resources. Qualified applicants are forwarded to hiring managers who interview using standardized questions. Background and reference checks are performed by Human Resources and the hiring manager. New hires are placed on predetermined wage scales, which are reviewed periodically using market data to ensure comparability with similar agencies, based on years of applicable experience and education.
Form 990, Part VI, Section C, line 19		We are required to submit our 990 to the State of Washington Public Charities Division Annually. The form 990 is also available on "Guidestar", a web site that the public can access to obtain information about non-profits. We distribute our audits to granting agencies that required a copy, as well as lending institutions. Several copies of our audit reports are made in addition to those required for contractual distribution and are available, upon request, in the finance office.
