F990_P06_S0A_L02	Form 990, Part VI, Section A, Line 2	President Richard Fleck is son of board member and Founder, Alcyon Fleck, husband of Children's Services's Director, Sharon Fleck, and brother-in-law of Finance Director, Karen Wecker
F990_P06_S0B_L11	Form 990, Part VI, Section B, Line 11	Once the 990 is completed, it is circulated to three board members of ICC including at least two officers. If any board member feels changes are needed, this is brought to the attention of the other members who are reviewing the document. Once the three board members agree that the document is acceptable, it is finalized with official signatures.
F990_P06_S0B_L15	Form 990, Part VI, Section B, Line 15	In the Fall of 2002, ICC administration conducted an analysis of compensation for employees within the organization. Sources used in the study included 1) U.S. Department of Labor National Compensation Survey: Occupation Wages in the Pacific Census Division, January 2001 for the organizations; 2) Compensation in Nonprofit Organizations, 15th Edition 2002 by Abbott Langer & Associates; 3) North Pacific Union of Seventh-day Adventists. Current wages of each employee, including the CEO and directors, were compared to wage categories using these three sources. An industry standard for each category was determined using the "Compensation in Nonprofit Organizations" source. In order to find an industry standard wage for each category, a weighted average was used for the following factors in the survey when comparing ICC to other companies: 20% overall mean, 10% number of employees, 25% type of organization (social service), 10% annual budget, 15% number of employees supervised, 20% scope (international). Once the industry standard wage was determined for each category of worker, the other two sources of information (Department of Labor & North Pacific Union Conference) were consulted to make sure this industry standard was reasonable. The industry standard wage scale that was determined helped form the basis for creating a compensation plan for ICC employees. COMPENSATION PLAN: Each position at ICC is given a base rate of pay. This is based on the industry standard. The employee wage is then calculated based on the number of years worked at ICC; managers start at 80% of the base rate and increase 2% each year; Non-managers start at 90% of the base rate and increase 2% each year. The increase is somewhat flexible and may depend upon subjective factors, including job performance and supervisor recommendations. The Board of Directors for ICC has delegated the issue of employee compensation to the Executive Committee of the board. The Executive Committee met on Dec 19, 2002 and discussed the findings concerning compensation and the recommended plan. The Executive Board approved the compensation plan and voted to raise managers to industry standard levels in 4 increments every 6 months, starting Jan 2003, and to raise the others to industry standard levels in Jan 2003. NOTE: At the April 2007 and May 2008 Executive Committee meetings, it was voted and approved to give a 2% cost of living increase retroactive to Jan 1 of each of those years. This note is to show that the compensation process is addressed annually.
F990_P06_S0C_L19	Form 990, Part VI, Section C, Line 19	We do not have a policy to allow the public direct access to these documents. However, since the financial statements are considered public records, we do send a copy to those who might request one. Other documents that are requested (governing documents, conflict of interest policy) may be provided on a case-by-case basis.
