Form 990, Part VI, Section B, line 12c		We annually require all employees and directors to sign a conflict of interest disclosure statement. If a conflict was discovered for an employee or director with a signed disclosure statement, they would be subject to corrective action up to and including termination for violation of our policy. If they self-disclosed a potential conflict of interest on the form, we would gather information on the issue and make a determination on how severe the conflict is and whether or not the employee or director could remain an employee. The conflict of interest policy is reviewed annually with employees as part of the performance review process.
