1 Briefly describe the organization's mission

Samaritan Health Services (SHS) is the parent company of a regional network of hospitals, physicians and senior care facilities. The network, formed in the late 1990's, serves approximately 290,000 residents in Linn, Benton, Lincoln and portions of Polk and Marion counties in Oregon. It is locally owned, and its boards of directors include hospital leaders, physicians and community representatives. SHS provides healthcare services regardless of race, color, creed, sex, national origin, disability or age. The mission of SHS is to enhance community health and achieve high value through quality services across a continuum of care. The collective vision of the SHS system is to be a values-driven organization governed by community members, physicians and other health care providers. SHS seeks to be the first choice of consumers in the region and to lead collaborative efforts among those who share similar goals.

	<p>Samaritan Health Services (SHS) is the parent organization for a network of Oregon hospitals, physicians, and senior care facilities that serves the health care needs of people in the mid-Willamette Valley and the Central Oregon Coast. SHS and its affiliated organizations provide acute care hospital services as well as outpatient healthcare services in a variety of settings. As the parent organization, SHS provides administrative and other support services to its affiliated organizations, such as patient billing, information services, accounting, and employee recruitment. SHS sponsors a health plan that provides medical, dental, and pharmacy benefits to employees of SHS and its affiliates. As a system, SHS looks carefully at local health care needs and gives thoughtful consideration to the most effective ways to meet those needs. The result is a rich mix of local and centralized regional services, which provide high value and excellent health care for people at all stages of their lives. Samaritan Health Services, Inc. (SHS) has policies that provide for serving those without the ability to pay for treatment. The policies establish criteria based on the income of the person responsible for the bill and collections are at amounts less than its established rates on a sliding scale down to no payment at all. In 2009, in addition to the estimated cost of direct charity care (\$15,000), SHS provided services that benefited the poor and others in the communities it served. Community benefit services (\$1,056,000) are payments/costs contributed by SHS for community programs administered by other non-profit organizations and schools plus activities provided by SHS employees for the benefit of various groups in the community served.</p>
