Identifier	Return Reference	Explanation
Supplemental Compensation Information		Schedule J, Part I, Line 3 The organization's Chief Executive Officer is an employee of its tax exempt parent, MultiCare Health System (MHS), and is disclosed as a person paid by a related organization. See Schedule O Form 990, Part VI, Line 15a for the process that is completed by MHS. Schedule J, Part I, Line 4b The following reported people participated in or received payments from a 457(f) deferred compensation plan: Vincent Schmitz - \$87,772; Sara Long - \$11,511. Schedule J, Part I, Line 6 The Compensation Committee sets annual goals for the incentive compensation plan covering Senior Vice Presidents, Vice Presidents, Administrators, Directors, Managers and Supervisors. The system wide operating margin goal must be met, along with targets in quality of care, patient safety, customer service and people and performance, in order for the incentive compensation plan payments to be made. The incentive compensation plan is then calculated and paid based on the number of targets achieved. The reportable compensation for the officers of the corporation and key employees is based on the total amount paid during the fiscal year for management and leadership of MultiCare Health System and Good Samaritan entities (91-1352172, 91-1514257, 94-3030039, 91-0961134, 91-1203564 and 91-2004312), including current year payments of amounts reported in prior years as contributions to employee benefit plans and deferred compensation plans, together with investment earnings from those prior year contributions. As a result, certain amounts have been reported twice, both in prior years when earned or accrued, and again in the current year when paid. The investment earnings from the prior year contributions represent a substantial portion of the current year payments. The amounts under Other Compensation reported includes up to twenty (20) years of deferred compensation, and includes the value of medical, dental, life and disability insurance, pension benefits, etc. Compensation on this tax return includes amounts that are not vested, are subject to substantial risk of forfeiture and may not be paid out in the future. The process for determining executive compensation at MultiCare Health System (i) complies with IRS guidelines for tax-exempt organizations, (ii) is determined by a separate committee of the Board of Directors whose members are all independent, do not have a conflict of interest, and are non-paid, and (iii) is annually evaluated in the context of compensation data gathered by independent external consultants from a peer group comprised of similar high performing healthcare institutions, primarily integrated healthcare organizations. Compensation paid is determined to be reasonable and necessary by the Compensation Committee of the Board of Directors and the independent external consultant. In addition, a significant portion of compensation is at risk and based on achievement of goals set by the Board of Directors at the start of each fiscal year in areas such as patient safety, quality, workforce development, finance and other mission-related areas. The Board places a high priority on the need to recruit and retain a strong leadership team and to create a highly motivated and engaged workforce to drive superior organizational performance in order to achieve top tier integrated care delivery system status. The Compensation Committee routinely reviews benefits and retirement programs to ensure the plans are market-based and otherwise consistent with IRS guidelines. The officers of MultiCare Health System, 91-1352172, also fulfill officer and executive functions for its related entities. Compensation disclosed is reported to the related entities tax returns in accordance with IRS regulations, but is not charged to the subsidiary or affiliate. An officer listed devotes an average of 60 hours per week to perform his or her responsibilities.
