Identifier	Return Reference	Explanation
Form 990, Part VI, Section B, line 11		The Wild Salmon Center's process for review of Form 990 by the Audit Committee and by the Board of Directors is as follows: The external accounting firm prepares Form 990 and supplemental schedules as soon as possible after the completion of the audit, and forwards a draft of the return to the Director of Finance and Administration for review. After reviewing Form 990, the Director of Finance and Administration forwards a draft of the return to the Executive Vice President (EVP) for approval. Once the EVP has approved Form 990 and supplemental schedules, the return is forwarded to the Audit/Finance Committee for its review and approval. After the Audit/Finance Committee has approved the return, the Director of Finance instructs the external accounting firm to prepare a final version of the return for signature by the CEO for filing with the Internal Revenue Service (IRS). Every effort will be made to file the return in a timely manner with the IRS. A copy of the completed, signed and filed Form 990 with schedules will be included in the next Board of Directors Meeting packet for review by the Board.
Form 990, Part VI, Section B, line 12c		On an annual basis, Board members and all employees complete the conflict of interest questionnaire, which asks them to list each of the potential conflicts as described in the policy. The Executive Vice President and the Director of Finance and Administration review the forms and disclosures for all members of the Board and staff, respectively. For the Board members, the Executive Vice President makes a summary of the results and gives them to the Executive Committee for review. The Executive Committee of the Board makes a determination as to whether the perceived conflict is real or not. We have not had a real conflict in the last six years, but if we did, the nature of the conflict would be reviewed by the Board, and appropriate actions would be taken (depending on the type of conflict) to eliminate the conflict. (This could be as simple as the Board member recusing him/herself from a decision, to disposing or terminating the conflicting relationship.) For employees, the management committee would review the conflict and perform a similar function to resolve the conflict.
Form 990, Part VI, Section B, line 15		Wild Salmon Center's process for determining compensation of the following persons included review and approval by independent persons, comparability data, and contemporaneous substantiation of the deliberations and decisions. The year this process was last undertaken for each of the management officials is stated below: Chief Executive Officer - 2008; Chief Financial Officer - 2007; VP Conservation Programs - 2007. For those whose salaries were \$100,000 or more, a 10% salary reduction was made effective April 1 - December 31, 2009 due to the economic situation.
Form 990, Part VI, Section C, line 19		The Wild Salmon Center's financial statements are available to the public on the Organization's own website. WSC's Articles of Incorporation, Bylaws and Conflict of Interest Policy are available upon request from the Director of Finance.
