The "Facts and Circumstances test:

In 2009, Teleosis Foundation's public support percentage improved from 16% in 2008 to 23% in 2009. While still below the required 33.3%, we are pleased to note that our major contributors are becoming more diverse. As well, the gross receipts from related activities are also improving. I am confident that in 2010, our programs will generate at a minimum twice as much revenue and as well we will rely on a significant reduction in philanthropic contributions. Based on my understanding of the Teleosis Foundation, in 2010 we will finally achieve compliance for public percentage support.
