Facts And Circumstances Test
During 2008 and 2009, the economic downturn caused California Heart Center Foundation to accept additional contributions from its supporting organization Gift of the Heart Foundation. These additional contributions caused California Heart Center Foundation to not meet the 33 1/3% public support test. California Heart Center Foundation does meet the 10% Facts and Circumstances test as California Heart Center Foundation maintains a continuous and bona fide program for solicitation of funds from the general public and other public charities.
