Callable bonds and preferred stock
Bonds and preferred stock that are subject to a partial call will be selected by an impartial lottery process pursuant to NYSE Rule 402 30 in which the probability of your securities being selected for redemption is proportional to the holdings of all shareholders of such securities held in street name If a security is called prior to maturity it may affect the yield you receive. Additional information is available upon request

Cost basis
This statement presents estimated unrealized or realized gains or losses for your information only If acquisition or other information is not available, the gain/loss information may not be displayed and section and summary totals may not reflect your complete portfolio.
