Sch J, Part III, Additional Information	Part III, Additional Information	Sch J, Part 1, Question 3 Regarding Compensation Practices Directors for Legacy are not compensated, but receive expense reimbursements related to their duties. Any expense reimbursements to board members require review and approval by the Director of Management Audit. Compensation received by Dr Newberry during 2009 related to his responsibilities as Past President of the Medical Staff at Legacy Meridian Park Hospital. Dr Fullman was compensated during 2009 for services provided for the development of the new electronic medical record system at Legacy. Executive compensation for Legacy is designed to recruit, retain and motivate qualified senior management personnel. The comprehensive compensation plan is designed for positions that have a significant impact on the high-level strategic and policy direction of Legacy and its affiliates. Base pay and total compensation (including incentive compensation) for similar positions is established at a level comparable to market compensation for healthcare organizations. External consultants are regularly used to review published compensation surveys of comparable organizations and comparable benchmark positions in the market. The Compensation Committee of the Board of Directors, none of whom is a Legacy employee, reviews the compensation for executive positions. The Committee oversees the system's governance procedures with respect to intermediate sanctions legislation and the evaluation of reasonableness of compensation. The Committee reports to the Board in sufficient detail to enable the entire Board to take such actions as are required to obtain the rebuttable presumption of reasonableness. The Compensation Committee also reviews tax-reporting disclosures. Sch J, Part II, Column Breakdown Of W-2 Or Misc-1099. Column B(i) - Base compensation consists of regular base pay including employee elected deferrals for retirement plans (403(b) and 457(b) plans). Column B(ii) - The incentive compensation program for Legacy is based on predetermined criteria and reviewed and approved by the Board. Bonuses are paid to key employees for interim duties outside their primary responsibilities (e.g. Acting in Capacity). Column B(iii) - Other compensation consists of deferred compensation amounts paid to executives during the current year and were reported on prior form 990 returns. These amounts include arrangements that contain elements of a substantial risk of forfeiture conditioned on continued employment, vesting and/or a noncompete provision upon termination of employment. In addition, imputed income for insurance, cell phone and other benefits is included in other compensation as well as any severance related payments. Column C - Deferred compensation includes the value of defined benefit plans, contributions to defined contribution plans, amounts deferred under the 457(f) plan including earnings, earnings in the 457(b) plan, and the value of the pension restoration plan. Earnings on the 457(f) and 457(b) include gains and losses on the underlying investments. The defined contribution and benefit plans are available to all employees as they become qualified to participate. The pension restoration plan provides executive pension benefits in excess of IRS mandated limits on eligible compensation to key executives. The benefits are unfunded and subject to forfeiture. Executive pension benefits are intended to make the executive's retirement benefit, as a proportion of their final average salary, comparable to all other employees, and are treated as income when paid. Column D - Nontaxable benefits include company paid health and welfare and long term care and disability benefits under group plans. Column F - Current year compensation reported as deferred in prior years.
Sch J, Part I, Line 8	Part I, Line 8 Amounts reported on 990 VII pursuant to initial contract exemption described in Regs	Legacy enters into initial employment agreements with executives that qualify under the initial contract exception.
