endowments are also being reported by the University of Florida. These endowments were bequeathed to the Florida 4-H Club Foundation and the temporarily restricted and unrestricted investment revenues earned from these endowments continue to be used for the benefit of the Florida 4-H Club Foundation.

Additional information regarding form 990, part VII & schedule J: Through the related organization that employs them, the individuals reported in Part VII of Form 990 and in Schedule J (Form 990) generally participate in the Florida Retirement System (FRS), a multi-employer retirement system created under Chapter 121 of the Florida Statutes and administered by the Florida Division of Retirement. As stated on the website of FRS, it is funded by contributions paid by employers, based on a percentage of the employees' salaries. The rate of contributions required is determined by an actuarial consulting firm to assure compliance with the requirements of the Constitution of the State of Florida.

The instructions for Form 990 indicate that Part VII and Schedule J should include a reasonable estimate of the increase in the actuarial value of any qualified or nonqualified retirement accruals under a defined benefit plan. FRS has stated such information currently is not available for participants in its plan. Therefore, the amounts reported in Part VII and Schedule J, as appropriate, include the contribution paid by the related organization as its contribution on behalf of the named individual. This amount is considered the best reasonable estimate of information required in this Form 990 and related Schedules.
