What is the organization's primary exempt purpose? The Truth About Nursing seeks to increase public understanding of the central, front-line role nurses play in modern health care Our focus is to promote more accurate, balanced and frequent media portrayals of nurses and increase the media's use of nurses as expert sources The Truth About Nursing's ultimate goal is to foster growth in the size and diversity of the nursing profession at a time of critical shortage, strengthen nursing practice, teaching and research, and improve the health care system		(Required for section 501 (c)(3) and 501(c)(4) organizations and section 4947(a)(1) trusts, optional for others)
Describe what was achieved in carrying out the organization's exempt purposes In a clear and concise manner, describe the services provided, the number of persons benefited, and other relevant information for each program title		
28 1) Media monitoring and analysis of international media's treatment of the nursing profession We disseminated news analyses through our web site and about news alerts to our supporters, in order to educate nurses, the media and the public about current media treatments, and ultimately to increase public understanding of nursing We posted many new analyses of media, FAQs and other webpages this fiscal year 2) Letter-Writing Campaigns When we see media treatment that is especially good or bad for the nursing profession, we mobilize our members and the public to write letters to those responsible, in order to educate and encourage better media treatment and ultimately improve public health We spearheaded many letter-writing campaigns this FY to convince those who create media to portray nursing more accurately Hundreds of letters combined were sent in these campaigns The effect of these letters on those who receive them is not negligible, regardless of the fact that we were not always able to see a positive visible effect in the short-term 3) Outreach Outreach to nurses and nursing students through email, telephone calls and speaking engagements, to educate them why it is important to promote a better public image of nursing, to encourage participation in letter-writing campaigns and to encourage them to educate others about our mission Outreach to the media through letters, telephone calls and speaking engagements, to encourage the creation of media that depicts the nursing profession more fairly and accurately Distributed our analyses and letters to the media makers of the news and media items that we critiqued on our web pages Many telephone calls were made to various media creators expressing concern, or encouragement and thanks, depending on the type of depiction 4) Building a database of nursing experts so as to facilitate connections between the media and the nursing community, thereby increasing visibility and establishing the expertise of the nursing profession 5) The work of the Truth About Nursing is accomplished primarily with volunteer labor, specifically founder and executive director Sandy Summers donates full-time hours, roughly 2,000 per year, and this fiscal year, senior advisor Harry Jacobs Summers donated 858 hours Office space and utilities are donated by the executive director and senior advisor
