| Part V, Line 4 | Description of Intended Use of Endowment Funds | the GMF board of directors has designated a portion of the unrestricted net assets to be utilized for the Balkan Trust for Democracy and the Black Sea Trust Funding |
| Part X | Description of Uncertain Tax Positions Under FIN 48 | GMF is recognized as exempt from federal income tax under Section 501(c)(3) of the Internal Revenue Code (the Code) and is currently classified as an organization that is not a private foundation within the meaning of Section 509(a) of the Code. LLC is a single member limited liability company for federal income tax purposes. All tax attributes flow through to GMF under this entity form. Accordingly, no provision for income taxes has been made. On June 1, 2009, GMF adopted the accounting standard on accounting for uncertainty in income taxes, which addresses the determination of whether tax benefits claimed or expected to be claimed on a tax return should be recorded in the financial statements. Under this guidance, GMF may recognize the tax benefit from an uncertain tax position only if it is more likely than not that the tax position will be sustained on examination by taxing authorities, based on the technical merits of the position. The tax benefits recognized in the financial statements from such a position are measured based on the largest benefit that has a greater than 50% likelihood of being realized upon ultimate settlement. The guidance on accounting for uncertainty in income taxes also addresses de-recognition, classification, interest and penalties on income taxes, and accounting in interim periods. Management evaluated GMF's tax positions and concluded that GMF had taken no uncertain tax positions that require adjustment to the financial statements to comply with the provisions of this guidance. With few exceptions, GMF is no longer subject to income tax examinations by the U S federal, state or local tax authorities for years before 2007. During the year ended May 31, 2010, GMF incurred unrelated business income tax expense of \$34,666 related to its investments in real estate partnerships. |
