	Client Note1	FORM 990 - PART III - STATEMENT OF PROGRAM SERVICE ACCOMPLISHMENTS THE CHALLENGE FOUNDATION The Challenge Foundation was founded to help economically disadvantaged children attain college readiness through a summer educational and tutorial program, mentoring, and scholarships. The Foundation supported a six-week summer program called Project Challenge in partnership with St. Mary's Academy for those economically disadvantaged middle school students who had the desire and ability to succeed. The Foundation supported tutoring, mentoring, scholarship, and summer programs for its students. PROJECT CHALLENGE Project Challenge was a summer program held at St. Mary's Academy for six weeks. A number of middle schools were selected as resources for the summer program and were willing participants in taking an active role to identify and recruit students. These students must have had academic potential for success in top college prep high schools. The summer school staff consisted of four master teachers and four co-teachers for the summer program. Enrollment accommodated forty-three students, which provided the individual attention and a low student teacher ratio (five to one approximately). The six weeks consisted of a daily schedule concentrating on the core courses of Language Arts, Math, Science and Computers, special activities included workshops, athletics, field trips, college visits and Career Day throughout the business community. Community service and the graduation ceremony were also important elements. TUTORING The program flourished during the school year with once a week tutoring and individual mentoring. Students participated in the summer program and received tutoring throughout the school year at college prep high schools. MENTORING Interested men and women from the professional and business community served as mentors to the individual students throughout the year. They provided encouragement and enrichment to the students in their academic and social skills. SCHOLARSHIPS With successful participation in the summer program and year round academic success, students will be eligible for scholarships to a college prep high school and middle school. This insures the mission of the Foundation of helping disadvantaged youth achieve academic success and become candidates for college admission. The Challenge Foundation will impact approximately sixty-five middle school and high school students operating on an annual budget of approximately \$665,000 per year. Its unique mission is to follow the selected children from sixth grade through college.
