Part III, Statement of Program Service Accomplishment

PennEnvironment Inc, provides assistance to residents and organizations of Pennsylvania to address environmental and public health concerns in their communities. We promote clean air, clean water and open space protection. PennEnvironment Inc. helps residents with:

Information to understand environmental laws and regulations; strategies to encourage industry and government officials to action; referrals to legal, technical, public interest and public health experts; advocating for the public's interest when it comes to Pennsylvania's environment.

We work on the following campaigns:

1. **Protecting Pennsylvania's Waterways**. This program works to protect Pennsylvania's waterways from both point source and non-point source pollution. Through this project, PennEnvironment Inc. researches the state's worst water polluters, works with legal, scientific and public interest experts to clean up the state's waterways and protect them from further pollution in the future.
2. **Campaign to Save our Open Spaces**. This project researches local open space conservation issues in Pennsylvania and gives citizens the tools to work actively to protect Pennsylvania's rich natural heritage including our family farms, state parks and forests and wild places.
3. **Campaign for Clean and Efficient Energy**. This program works to reduce Pennsylvania's dependence on energy sources that are dirty, dangerous and unreliable. PennEnvironment Inc. works to educate the state's residents and decision makers about alternatives that utilize renewable energy sources like wind and solar, and promote greater conservation and efficiency in our energy consumption.
4. **Campaign for Global Warming Solutions**. This program works to reduce global warming pollution in Pennsylvania and nationwide, and avoid the most dire predictions of global warming's effects on the state, nation and planet.
