| Identifier | Return Reference | Explanation |
|--|--|--|
| Part II, Line 5 | Explanation of Easements Enforcement Policies | the school meets annually with the trustees of reservations who administer the easements and tour the site |
| Part II, Line 9 | Description of How Organization Reports Conservation Easements | conservation easements on the middlesex campus are related to the protection/preservation of wetlands and the protection of resident wildlife on a portion of the Middlesex property Middlesex uses an environmental consulting firm annually to test the water quality of the wetlands on the Middlesex campus where amphipods (salamanders) reside. The land is recorded as an asset on the balance sheet and the expenses related to the environmental consulting services are charged to facilities and operations. |
| Part V, Line 4 | Description of Intended Use of Endowment Funds | The School has adopted investment and spending policies for endowment assets that attempt to provide a predictable stream of funding to programs supported by its endowment while seeking to maintain the purchasing power of the endowment assets. endowment assets include those assets of donor-restricted funds that the school must hold in perpetuity or for donor-specified purposes as well as board designated funds. the school expects its endowment funds, over time, to provide an average rate of return of approximately 8% annually. Actual returns in any given year may vary from this amount. To satisfy its long-term rate-of-return objectives, the School relies on a total return strategy in which investment returns are achieved through both capital appreciation (realized and unrealized) and current yield (interest and dividends). The school targets a diversified asset allocation that places a greater emphasis on equity-based investments to achieve its long-term return objectives within prudent risk constraints. Under this policy, as approved by the Board of Trustees, the endowment assets are invested in a manner that is intended to produce results that exceed a policy index. |
| Part X | Description of Uncertain Tax Positions Under FIN 48 | the school is qualified under section 501(c)(3) of the internal revenue code and is exempt from federal and state income taxes. the school is subject to federal and state income taxes on unrelated business income. the school follows the fasb guidance, accounting for uncertainty in income taxes, which clarifies the accounting for uncertainty in income taxes by prescribing the recognition threshold a tax position is required to meet before being recognized in the financial statements. it also provides guidance on derecognition, classification, interest and penalties, accounting in interim periods, disclosure, and transition management believes that the school has no material uncertainties in income taxes. |
