	Part I, Line 1a	The College President resides in a College-owned residence contiguous to the campus as required in her employment contract. Numerous functions take place at the President's residence in support of the College's mission. Donors, staff and most importantly students are welcomed throughout the year. The availability and approachability of the College President is a key element to instilling the sense of community and caring that is central to the College's mission. Given the visibility of and many functions/meetings that take place at the President's residence, a College employee cleans the home, at virtually no extra cost to the College. The President's employment contract allows for spousal travel, however, this travel is on a limited basis, typically involving the spouse's service as a chaperone when he accompanies the President on the annual honor students' trip to a world capital. The College pays for the President's membership in a local country club and social club, entirely for business purposes.
