Part V, Line 4	Description of Intended Use of Endowment Funds	The intended use of the organization's endowment funds is to fund the American Dream Program - to provide and assist the finest educational opportunities for clients who are still in care of those who have aged out of care
Part X	Description of Uncertain Tax Positions Under FIN 48	In September 2009, the FASB issued Accounting Standards Update No. 2009-06 (ASU 2009-06), which clarifies whether income taxes paid by the entity are attributable to the entity or its owners, the nature of a tax position for a pass-through entity or a tax-exempt not-for-profit entity, and how uncertainty in income taxes should be applied when a group of related entities comprise both taxable and non-taxable entities. In addition, ASU 2009-06 eliminates the tabular disclosure requirements of uncertain tax positions under FASB Accounting Standards Codification Topic 740, Income Taxes, for non-public entities. For entities that are currently applying the standards for accounting for uncertainty in income taxes, the guidance and disclosure amendments are effective for financial statements issued for interim and annual periods ending after September 15, 2009. For those entities that have deferred the application of accounting for uncertainty in income taxes in accordance with paragraph 740-10-65-1(e), the guidance and disclosure amendments are effective upon adoption of those standards. St Vincents elected to defer such application and has not yet determined whether the adoption of this statement will have a material impact on its financial statements. The amendments in ASU 2009-06 do not affect the effective date guidance for certain non-public entities in paragraph 740-10-65-1.
