INDEPENDENT AUDITORS' REPORT

To the Board of Directors
Sky Ranch Foundation

We have audited the accompanying statement of financial position of Sky Ranch Foundation (the "Foundation") as of June 30, 2010, and the related statements of activities, functional expenses and cash flows for the year then ended. These financial statements are the responsibility of the Foundation's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as, evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Sky Ranch Foundation at June 30, 2010, and the changes in its net assets and its cash flows for the year then ended in conformity with accounting principles generally accepted in the United States of America.

SKY RANCH FOUNDATION
NOTES TO FINANCIAL STATEMENTS

Note 1. Summary of Significant Accounting Policies Follows

Nature of Activities:

Sky Ranch Foundation (the "Foundation") is a charitable organization organized under South Dakota state law, whose primary activities are to raise funds for, and make contributions to Sky Ranch for Boys, Inc., (the "Ranch") a not-for-profit corporation also organized under the laws of South Dakota. The Foundation's property and equipment is located in South Dakota and is used by the Ranch to conduct its operations. The funds contributed to and expended for the benefit of the Ranch by the Foundation, are used to purchase and maintain buildings, equipment, and supplies, as well as provide tuition for boys attending the Ranch.

The primary source of contributions to the Foundation is the United States alcohol beverage industry. The Foundation raises funds primarily through the efforts of its paid and unpaid officers and directors. There are no employees of the Foundation.

Support and Revenue:

Contributions are generally available for unrestricted use unless specifically restricted by the donor. Unconditional promises to give are recorded when received as contributions receivable. Unconditional promises to give due in the next year are reflected as current receivables and are recorded at their net realizable value. Unconditional promises to give due in subsequent years are reflected as long-term receivables and are recorded at the present value of their net realizable value, discounted using risk-free interest rates.

Contributions of cash and other assets are reported as temporarily restricted support if they are received with donor stipulations that limit the use of the donated assets. When a donor restriction expires, that is, when a stipulated time restriction ends or purpose restriction is accomplished, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities as net assets released from restrictions. Contributions received with donor-imposed restrictions that are met in the same year in which the contributions are received are classified as unrestricted contributions.

Financial Statement Presentation:

The Organization is required to report information regarding its financial position and activities according to three classes of net assets: unrestricted net assets, temporarily restricted net assets, and permanently restricted net assets.

SKY RANCH FOUNDATION
NOTES TO FINANCIAL STATEMENTS

Estimates:

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Cash and Cash Equivalents:

For the purpose of the statement of cash flows, cash and cash equivalents include all demand deposit accounts the Foundation maintains at a bank.

Accounts Receivable:

In conjunction with certain special events and program services, the Foundation extends credit to various individuals and groups. The Foundation had no accounts receivable at June 30, 2010.

Investments:

Investments are composed of publicly-traded marketable and debt securities with readily determinable fair values. All investments are reported at their fair values in the statement of financial position and unrealized gains and losses for the year are included in the statement of activities. Investment income and gains restricted by a donor are reported as increases in unrestricted net assets if the restrictions are met (either by passage of time or by use) in the reporting period in which the income and gains are recognized.

Property and Equipment:

The Foundation capitalizes at cost all expenditures for property improvements, buildings and furnishings for which it retains title. Other capital expenditures made on behalf of Sky Ranch for Boys, Inc., are expensed as incurred since, the Foundation does not assume title to such property. U.S. generally accepted accounting principles require not-for-profit organizations to recognize the cost of using long-lived tangible assets (depreciation) in general-purpose external financial statements. The Foundation depreciates its property and equipment using the straight-line method over estimated useful lives of fifteen to thirty-five years.

Allocation of Expenses:

Expenses are charged to program services, management and general, and fund raising based on direct expenditures incurred. Consultant fees are allocated equally between administration and fund raising based on the approximate time spent for those activities.

SKY RANCH FOUNDATION
NOTES TO FINANCIAL STATEMENTS

Contributed Services:

No amounts have been reflected in the financial statements for contributed services. The Foundation generally pays for services requiring specific expertise. However, many individuals volunteer their time and perform tasks that assist the Foundation with programs, solicitations, and various administrative assignments. The value of donated services is not reflected in these statements, since it is not susceptible to objective measurement or valuation.

Income Taxes:

The Foundation is a not-for-profit organization as described in Section 501(c)(3) of the Internal Revenue Code (the "Code") and it is exempt from Federal income taxes on related income pursuant to Section 501(a) of the Code. The Internal Revenue Service has not classified the Foundation as a private foundation.

For the year ended June 30, 2010 management is highly confident that the full amount of the Foundation's deductions for tax purposes will be allowed. Therefore, no adjustments to these financial statements have been included for uncertain tax positions.

Date of Management Evaluation:

Management has evaluated subsequent events through November 3, 2010, the date on which the financial statements were available to be issued.

Note 2. Agreement with Sky Ranch for Boys, Inc.

Per terms of an agreement with Sky Ranch for Boys, Inc., dated November 26, 2007, the Foundation leases its land, buildings and equipment to the Ranch for a nominal fee of \$1 per year. The agreement requires the Ranch to maintain the premises, have insurance and pay the taxes for the property. The term of the lease is July 1, 2007 through July 1, 2012 with the Ranch having an option to renew the term for one additional five year period.

Additionally, the Foundation and the Ranch have entered into a trademark license agreement dated November 26, 2007, whereby the Ranch grants the Foundation the exclusive right to use the Sky Ranch trademark for permitted activities including lawful solicitation and fund raising for the benefit of the Ranch.

Subject to a memorandum of understanding between the Foundation and Ranch dated December 8, 2008, it is agreed that certain substantial transfers of funds from the Ranch to the Foundation may be subject to special conditions as determined by agreement.

SKY RANCH FOUNDATION
NOTES TO FINANCIAL STATEMENTS

Note 6. Net assets

Designated by Board:

The Foundation's Board of Directors has decreed that certain investments shall be known as the Sky Ranch Endowment Fund. The principal of these funds comes mostly from estate gifts from deceased friends of the Ranch. It is the Board's intention that only a portion of the interest and dividend income generated each year be used to fund normal Foundation operations, and that the principal of the fund be allowed to grow. The Board has agreed to build the fund to the point that it generates up to \$500,000 annually in interest and dividends; such amount sufficient to fund a majority of the Foundation's annual activities. However, the Board reserves the right to use any portion of the designated funds including principal and income as it sees fit. At June 30, 2010, the market value of investments designated as endowment funds is \$2,363,794.

Temporarily Restricted:

The Foundation has created a Student Loan Fund per terms of a \$50,000 grant it received. The fund and the resulting investment income received is to be used only for higher education loans to Sky Ranch graduates and is therefore reported as temporarily restricted on the statement of financial position until such a time as it is used to make student loans. No student loans were made for the year ended June 30, 2010 and there are no outstanding loans as of that date. The temporarily restricted student loan balance at June 30, 2010 was \$76,673.

Permanently Restricted:

Per terms of a contribution the Foundation received in June 2005, \$100,000 has been invested in a separate fund referred to as the Davis/Carlos Scholarship Fund. Only the investment income from the fund is to be paid in support of scholarships to the Ranch. Income from the fund may also be used to support other ongoing Foundation operations. Investment gains to date through June 30, 2010 are approximately \$2,369 and the permanently restricted asset balance at June 30, 2010 is \$102,369.
