TAP is a comprehensive school reform that restructures and revitalizes the teaching profession with a goal to achieve measurable gains in student performance. TAP is based on four elements: 1) Multiple Career Paths -- allows teachers to pursue a variety of positions throughout their careers depending upon interests, abilities and accomplishments. As their qualifications, roles and responsibilities increase, so does their compensation; 2) Ongoing Applied Professional Growth -- TAP restructures the school schedule to provide time during the day for teachers to meet, learn, plan, mentor and share to improve the quality of instruction and increase student achievement; 3) Instructionally Focused Accountability -- a comprehensive system for evaluating teachers with rewards for successful outcomes; 4) Performance-Based Compensation -- TAP provides additional compensation based on new roles and responsibilities, accomplishments in the classroom and the performance of students. TAP has introduced the TAP System Training Portal, a powerful, interactive Web tool that provides individualized TAP training and support with real-time access to the latest trainings, video libraries, training modules, strategies library, conference trainings, evaluation processes, professional development and TAP publications.
