Problem(s) Addressed: Specific needs addressed through project activities, including a description of how the needs are quantified.

Rationale: Discussion of why the Joseph and Licia Gimma Foundation should support the project. How the proposed project advances the philanthropic priorities of the Joseph and Licia Gimma Foundation.

Participants: Names and titles of persons who will oversee/implement project; names and titles of persons who will have fiscal authority over grant fund expenditures.

Linkage to Similar Initiatives: How the project links to similar efforts planned or under way, or to other programs dealing with complementary needs in the targeted area.

Budget: Detailed Budget. Names of other contributors and how much they will underwrite. How the project will be implemented and sustained if the Joseph and Licia Gimma Foundation does not fund the full amount requested. Plans for sustaining the project after the grant term expires.

Outcomes: Specific outcomes the project is expected to achieve. Expected impact on program.

Evaluation: How results will be measured and attributed to actions undertaken through the project. How results will be sustained. Detailed description of how the project will be evaluated, including participants and cost.
