Rider will achieve distinctiveness by focusing on students first, by cultivating leadership skills, by affirming teaching and learning that bridges the theoretical and the practical and by fostering a culture of academic excellence. Rider's Mission Toward 2010 Rider attracts and graduates talented and motivated students with diverse backgrounds from across the nation and around the world and puts them at the center of our learning and living community. As a learner-centered University dedicated to the education of the whole student, Rider provides students the intellectual resources and breadth of student life opportunities of a comprehensive university with the personal attention and close student-faculty interactions of a liberal arts college. Through a commitment to high quality teaching, scholarship and experiential opportunities, faculty on both campuses provide undergraduate and graduate students rigorous and relevant programs of study to expand their intellectual, cultural and personal horizons and develop their leadership skills. Our highly regarded programs in the arts, social sciences, sciences, music, business and education challenge students to become active learners who can acquire, interpret, communicate and apply knowledge within and across disciplines to foster the integrative thinking required in a complex and rapidly changing world. Rider attracts highly qualified faculty, staff and administrators with diverse backgrounds who create an environment which inspires intellectual and social engagement, stimulates innovation and service and encourages personal and professional development. As key members of our University community, it is their commitment to our values, vision and mission that will ensure Rider's success. The University's institutional identity will continue to reflect the strengths of its people, history, location and shared values, among which are a commitment to diversity, social and ethical responsibility and community. The success of our graduates will be demonstrated by their personal and career achievements and by their contributions to the cultural, social and economic life of their communities, the nation and the world.
