Part X	Description of Uncertain Tax Positions Under FIN 48	All entities of the Organization are exempt from federal income taxes under section 501(c)(3) of the Internal Revenue Code and as such the Organization has not provided for income taxes. The Organization follows accounting standards that provide clarification on accounting for uncertainty in income taxes recognized in the Organizations consolidated financial statements. The guidance prescribes a recognition threshold and measurement attribute for the financial statement recognition and measurement of a tax position taken or expected to be taken in a tax return, and also provides guidance on de-recognition, classification, interest and penalties, disclosure and transition. Tax returns for certain years are subject to audit by federal and state jurisdictions.
