The total expenses include bad debt expense of 4,472,655 When this amount is taken out of the denominator the Charity Care and Certain Other Community Benefits as Cost percentage changes by 01 percent which is an immaterial amount

Form 990 Schedule H, Part VI - Supplemental Information, Line 1

The Hospital provides patient care services without charge, or at amounts less than established rates, to patients who meet the criteria of its charity care policy. Criteria for consideration under the charity care policy is based primarily on family income and net worth, but also recognizes other circumstances where undue financial hardships exist. The Hospital maintains records to identify and monitor the level of charity care it provides. Because collection of amounts determined to qualify as charity care are not pursued, patient service revenues are reduced by such amounts. The Hospital also provides services and supplies below cost to patients covered by government insurance programs, including the Medicare and Medicaid programs.
