Lebanon Valley College is a small, private, liberal arts college. Its mission arises directly from its historical traditions and a relationship with the United Methodist Church. The College's aim is to enable our students to become people of broad vision, capable of making informed decisions, and prepared for a life of service to others. To that end we seek to provide an education that helps students to acquire the knowledge, skills, attitudes, and values necessary to live and work in a changing, diverse, and fragile world. Through both curricular and co-curricular activities we endeavor to acquaint our students with humanity's most significant ideas and accomplishments, to develop their abilities to think logically and communicate clearly, to give them practice in precise analysis and effective performance, and to enhance their sensitivity to and appreciation of differences among human beings.
