Part X	Description of Uncertain Tax Positions Under FIN 48	During the year ended June 30, 2010, the Association adopted a new accounting standard, which clarifies the accounting for uncertainty in income taxes recognized in a company's financial statements and prescribes a recognition threshold of more-likely-than-not to be sustained by examination by the appropriate taxing authority. Measurement of the tax uncertainty occurs if the recognition threshold has been met. The standard also provides guidance on derecognition, classification, interest and penalties, and disclosure. Management has determined that the standard does not have material impact on the Association's financial statements. The Association's Federal exempt organization business income tax returns for the years ended June 30, 2009, 2008, and 2007 remain subject to examination by the Internal Revenue Service.
