| Part V, Line 4                         | Description of Intended Use of Endowment Funds      | The college's endowment fund consists of approximately 60 individual funds established for a variety of purposes. It includes both donor-restricted endowment funds and funds designated by the Board of Trustees to function as endowments. The college has adopted investment and spending policies for endowment assets that attempt to provide a predictable stream of funding to programs supported by its endowment while seeking to maintain the purchasing power of the endowment assets. |
| Part X                                 | Description of Uncertain Tax Positions Under FIN 48 | The college accounts for uncertainty in income taxes using a recognition threshold of more-likely-than-not to be sustained upon examination by the appropriate taxing authority. Measurement of the tax uncertainty occurs if the recognition threshold has been met. Management has determined that there were no tax uncertainties that met the recognition threshold in 2010.                                                                                                                  |

| Form 990, Part VI, Section B, line 15 |                  | The College's salaries, for all positions, are not competitive with other colleges and universities in the region, resulting in a higher-than-desired turnover rate, and a rate that is also higher than industry-specific turnover averages. For several years, a 2 or 3% across the board salary increase was issued, with the exception of 08/09, with the poor economic climate, no salary increases were provided. In 09/10, a 2% across-the-board salary increase was provided. Concerning key employees, the board reviewed national salary averages for Presidents at religious colleges/universities, based on both enrollment and the size of the budget, as they had done in the past, and confirmed that the President's salary was significantly below that average, which is even lower than regional data. However, at that time they decided to only issue the 2% increase, due to budget-related concerns. |
