Identifier	Return Reference	Explanation
Part V, Line 4	Description of Intended Use of Endowment Funds	ALVERNIA UNIVERSITY'S ENDOWMENT FUNDS ARE USED FOR STUDENT SCHOLARSHIPS AND CAPITAL PURCHASES INCLUDING TECHNOLOGY AND DEFERRED MAINTENANCE
Part X	Description of Uncertain Tax Positions Under FIN 48	As a not-for-profit organization, the University is generally exempt from federal and state income taxes. The University is subject to federal and state income taxes on unrelated business income. The University recognizes penalties and interest accrued related to income tax liabilities in the provision (benefit) for income taxes in its statements of penalties and interest. For the years ended June 30, 2010 and 2009, there were no accruals for the payment of penalties and interest. When tax returns are filed, it is highly certain that some positions taken would be sustained upon examination by the taxing authorities, while others are subject to uncertainty about the merits of the position taken or the amount of the position that would be ultimately sustained. The benefit of a tax position is recognized in the financial statements in the period during which, based on all available evidence, management believes it is more likely than not that the position will be sustained upon examination, including the resolution of appeals or litigation processes, if any. Tax positions taken are not offset or aggregated with other positions. Tax positions that meet the more-likely-than-not recognition threshold are measured as the largest amount of tax benefit that is more than 50% likely of being realized upon settlement with the applicable taxing authority. The portion of the benefits associated with tax positions taken that exceeds the amount measured as described above is reflected as a liability for unrecognized tax benefits in the accompanying statements of financial position along with any associated interest and penalties that would be payable to the taxing authorities upon examination. The University files tax returns in the U. S. Federal jurisdiction. The University's income tax returns are not subject to examination through the year ended June 30, 2006.
