| Form 990, Part VI, Section B, line 15 |                  | The compensation committee of the Pinnacle Health System ("System") Board has the authority to develop and maintain executive and physician compensation to be approved by the System Board of Directors. The compensation committee will follow a diligent process that meets regulatory requirements for a rebuttable presumption of reasonableness and promotes effective governance of executive compensation, consistent with the System's compensation philosophy. 1. Follow a process that establishes and maintains a rebuttable presumption of reasonableness for all executives and physicians potentially subject to intermediate sanctions. 2. Prepare minutes for each meeting to record the terms of the committee's decisions and the process followed in reaching those decisions. These minutes must include indications that the committee is following good practices in dealing with conflicts of interest and in obtaining and relying on appropriate comparability data on total compensation. 3. Select and directly engage and supervise any consultant hired by System to advise the committee on executive and physician compensation. 4. Periodically evaluate the appropriateness of this charter and the effectiveness of the process the committee uses in governing executive and physician compensation and report this evaluation to the board. 5. Provide the Board with an annual report on the committee's actions. 6. Monitor changes in laws and regulations pertaining to executive compensation and benefits to see that System complies with them. 7. Seek outside review of committee operations to ensure compliance with the IRS rebuttable presumption of reasonableness. 8. Review actual executive compensation and benefits provided to confirm consistency with compensation and benefits approved by the committee. |
