FORM 990, PART VI, LINE 12 The organization has adopted the conflicts of interest policy of the Children's Hospital of Philadelphia. The Children's Hospital of Philadelphia maintains a written Conflicts of Interest Policy that applies to, inter alia, all of its Trustees, officers, employees, members of the Medical Staff and researchers of The Children's Hospital of Philadelphia and its affiliates. The Policy requires annual conflicts of interest statements from Trustees and officers of the Hospital and its affiliates, the President and others in Senior Management, administrative personnel serving at the level of manager and above and certain other categories of employees defined in the conflicts of interest policy (such as persons known to place orders with vendors), Department Chairs, division chiefs and other members of the Medical Staff (except that members of the Medical Staff who are not based at the Hospital are only required to submit statements bi-annually), members of the Hospital Research Staff, designated employees of practice plans affiliated with the Hospital, and other persons designated by management. The statement tracks the conflicts of interest policy, requiring each person to disclose information for the reporting period regarding the existence and nature of gifts, outside interests, outside activities and other matters constituting a potential, perceived or actual conflict of interest, and to certify that they have read the policy and answered fully, accurately and to the best of their knowledge. After confirmation that all questions have been answered, the statements are reviewed by the relevant Vice President, Department Chair or other executive (or their designee), tracked by the Office of Compliance and Privacy (OC&P), and all statements disclosing potential, perceived or actual conflicts are forwarded to the OC&P as well as the Office of General Counsel (OGC) for further review and follow-up as needed. The conflicts statements submitted by Trustees of the Hospital and Foundation, and members of Senior Management, are reviewed by the OGC and OC&P and the disclosures are summarized in memoranda distributed to and reviewed by the members of the Audit and Compliance Committee of the Hospital and Foundation Boards. The remaining conflicts statements containing affirmative disclosures are reviewed by staff in the OGC and OC&P. In reviewing annual statements where an actual, perceived or potential conflict is disclosed, where problems are identified that need to be addressed, the goal is to eliminate or manage the conflict going forward and ensure that, as to employees or others on the Medical or Research Staff, the relevant supervisor is aware of the issue. Summary information about compliance with the policy's requirement to submit annual statements and disclosures contained therein is provided in memoranda to the Audit and Compliance Committee of the Boards. In addition, if any matter involving a potential violation of the conflict of interest policy is brought to the attention
