Identifier	Return Reference	Explanation
Part V, Line 4	Description of Intended Use of Endowment Funds	The endowment consists of approximately 72 individual funds established for a variety of purposes. These endowment funds are donor-restricted; the foundation does not have any board-designated endowment funds. As required by generally accepted accounting principles, net assets associated with endowment funds are classified and reported based on the existence or absence of donor-imposed restrictions.
Part X	Description of Uncertain Tax Positions Under FIN 48	The Associations have adopted the accounting for uncertainty in income taxes, which addresses the determination of whether tax benefits claimed or expected to be claimed on a tax return should be recorded in the financial statements. Under this policy, the Associations may recognize the tax benefit from an uncertain tax position only if it is more-likely-than-not that the tax position would be sustained on examination by taxing authorities, based on the technical merits of the position. Management has evaluated the Associations' tax positions and has concluded that the Associations have taken no uncertain tax positions that require adjustment to the consolidated financial statements to comply with provisions of this guidance. As of June 30, 2010 and 2009, there are no material unrecognized/derecognized tax benefits or tax penalties or interest. With few exceptions, the Associations are no longer subject to U.S. federal, state or local tax examinations by tax authorities for years ending before June 30, 2007.
