Identifier	Return Reference	Explanation
Part IV, Line 2b		The Welfare and Institutions Code, Section 4659(a) states that "Except as otherwise provided in subdivision (b) or (c), the regional center shall identify and pursue all possible sources of funding for consumers receiving regional center services. These sources shall include, but not limited to, both of the following (1) Governmental or other entities or programs required to provide or pay the cost of providing services, including Medi-Cal, Medicare, the Civilian Health and Medical Program for Uniform Services, school districts, and federal supplemental security income (SSI) and the state supplementary program (SSA) (2) Private entities to the maximum extent they are liable for the cost of services, aid, insurance, or medical assistance to the consumer ." Therefore, whenever NLACRC consumers receive residential services, NLACRC is required to pursue generic resources for its consumers to offset the cost of residential services. As such, it is NLACRC's practice to become the representative payee of the consumers SSI, SSA, or other benefits when a consumer is placed in a residential facility. NLACRC receives consumer benefits from a variety of sources, including but not limited to, the Social Security Administration, Veteran's Administration, Teachers Retirement Fund, Railroad Retirement Fund, private family trusts and annuities. NLACRC utilizes the funds received from these sources to pay for board and care expenses at the residential facility and to provide personal and incidental (P&I) funds to the consumer for their own personal use. The basic rate for Board and care and for P&I funds are established by the Department of Social Services and then provided to regional centers in a technical bulletin by the Department of Developmental Services (DDS). Currently, NLACRC is the representative payee of consumer benefits for approximately 1,600 consumers who reside in a variety of residential placements. NLACRC maintains a separate bank account for the benefits NLACRC receives on behalf of its consumers. Benefits for our consumers are either direct deposited into the consumer bank account or received by check, which is then deposited into the bank account using an electronic scanning process provided to us by our bank. NLACRC also maintains a separate subsidiary ledger for each individual consumer that tracks the benefits received and the disbursements made by NLACRC each month on behalf of the consumer. NLACRC disburses funds on a monthly basis to consumers and residential service providers. Personal & Incidental funds are disbursed in accordance Title 17, section 56917(c)(1), that states "Forward the portion of the consumer's Personal and Incidental Allowance that is not conserved by the regional center on the consumer's behalf to the consumer no later than the 10th day of the month in which the regional center receives the consumer's SSI/SSP payment." Board and Care payments are paid in arrears to the service provider and are disbursed to the residential service provider by the 20th day of the month. Additionally, NLACRC disburses payments to medi-cal facilities on the 10th day of the month in which the benefits are received by NLACRC to pay for the consumer's share of cost. The share of cost amount is determined and established by the Social Security Administration and Medi-Cal. NLACRC has four (4) Revenue Coordinators who are assigned a specific consumer caseload. The Revenue Coordinators are responsible for the monitoring and the review of consumer benefits and for obtaining and preserving the consumer's benefits. All transactions, receipts and disbursements, are monitored and reviewed by the Revenue Coordinator each month. Revenue Coordinators are responsible for notifying service coordinators when consumer accounts are approaching or exceeding the cash resource limit of \$2,000 so that spending plans may be developed to prevent the consumer from losing their Social Security or Medi-Cal benefits. Additionally, monthly, the IT Department generates the "Client Excessive Balance Exceptional Reporting, Balance Over \$2,000 Report" (Report). The Report is published on NLACRC's intranet so that revenue coordinators and service coordinators may monitor consumers who are in jeopardy of losing their benefits due to having a trust balance in excess of \$2,000. Also, quarterly, NLACRC requests residential facilities to provide information on their consumer P&I balances to verify that the consumer's total cash resources do not exceed the \$2,000 cash resource limit. Additionally, consumers may access their funds in the consumer bank account through their service coordinator. All money management disbursements are approved by the Case Management Supervisor, Revenue Supervisor, and Controller. The service coordinator generates a disbursement request, obtains the approval of the case management supervisor and forwards it to the Revenue Coordinator for payment processing. The Revenue Coordinator performs an analysis of the consumer subsidiary account, verifies that there are sufficient funds for the disbursement and obtains the approval of the Revenue Supervisor and the Controller. Disbursements for travel related expenses also require the approval of the Consumer Services Director, and disbursements over \$10,000 require the approval of the CFO.
Part X	Description of Uncertain Tax Positions Under FIN 48	The Center recognizes the financial statement benefit of tax positions, such as filing status of tax-exempt, only after determining that the relevant tax authority would more likely than not sustain the position following an audit. The Center is subject to potential income tax audits on open tax years by any taxing jurisdiction in which it operates. The statute of limitations for federal and California purposes is generally three and four years, respectively.
