		Part VI 2 Dr. Thomas Muzzonigro served for one year as an ex-officio trustee due to his position as President of the Medical Staff of Butler Memorial Hospital. Dr. Kelly Agnew is a trustee on this corporation's Board as well. Both of these physicians are directors, officers and greater than 10% owners in a private medical group, as well as that group's affiliated entities. 11 (a) The Finance Committee of the Board conducts a detailed review of the 990 filing, which is then provided to the full board for final review and approval. 12 (c) The responses to the conflict of interest disclosure form are collected and reviewed annually by General Counsel, who then reviews the same with the Audit and Compliance Committee of the Board of Trustees. Conflict of Interest disclosure forms are completed by all trustees, officers, committee members as well as the executive team. In the event a relationship results in a potential conflict for an issue being discussed by the Board, the trustee recuses himself/herself from the discussion and vote. This recusal is documented in the minutes. The Vice President and General Counsel attends all board meetings and ensures that any needed recusals occur. 15 The organization engages a compensation consultant and outside legal counsel to review current market for all of its executive positions. This consultant then meets with the fully independent Board Compensation Committee to review market for the various positions, including obtaining reasonableness opinions and engaging outside counsel regarding compensation relating to each executive position. The recommendations of the Compensation Committee are then presented to full board for final approval. The most recent review occurred in September, 2010. 19 Historically financials are provided to the public at the annual public board meeting and through mailing. Bylaws, Articles of Incorporation and the Conflict of Interest Policy are posted on the website. Part VII Section A includes John C. Reefer, MD as a former trustee and a VP of Professional Affairs & Medical Director with compensation. His term as trustee ended in February, 2005 prior to taking the VP position. This compensation relates to his role as VP of Professional Affairs. Schedule I Part II Grants and Other Assistance. The organization's bylaws control the contributions that can be made and the process relating to such.
