- 7 If the organization is part of an affiliated health care system, describe the respective roles of the organization and its affiliates in promoting the health of the communities served.
- 8 If applicable, identify all states with which the organization, or a related organization, files a community benefit report.

Part I, Line 3c: The organization provides medically necessary care to all patients, regardless of race, color, creed, ethnic origin, gender, disability or economic status. St.Vincent Dunn Hospital, Inc. uses a percentage of federal poverty level (FPL) to determine free and discounted care. At a minimum, patients with income less than or equal to 200% of the FPL, which may be adjusted for cost of living utilizing the local wage index compared to the national wage index, will be eligible for 100% charity care write off of charges for services that have been provided to them. Also, at a minimum, patients with incomes above 200% of the FPL but not exceeding 400% of the FPL, subject to adjustments for cost of living utilizing the local wage index compared to national wage index, will receive a discount on the services provided to them.

Part III, Line 4: The organization is a part of the St.Vincent Health System consolidated audit. The provision for bad debts is based upon management's assessment of expected net collections considering economic conditions, historical experience, trends in health care coverage, and other collection indicators. Periodically throughout the year, management assesses the adequacy of the allowance for uncollectible accounts based upon historical write-off experience by payor category, including those amounts not covered by insurance. The results of this review are then

Part VI Supplemental Information

used to make modifications to the provision for bad debts to establish an appropriate allowance for uncollectible accounts. After satisfaction of amounts due from insurance and reasonable efforts to collect from the patient have been exhausted, the Corporation follows established guidelines for placing certain past-due patient balances within collection agencies, subject to the terms of certain restrictions on collection efforts as determined by Ascension Health. Accounts receivable are written off after collection efforts have been followed in accordance with the Corporation's policies. The share of the bad debt expense in fiscal year 2010 was \$0 at charges (\$0 at cost) as this entity was acquired on June 30, 2010.

Part III, Line 8: Ascension Health and related health ministries follow the Catholic Health Association ("CHA") guidelines for determining community benefit. CHA community benefit reporting guidelines suggest that Medicare shortfall is not treated as community benefit.

Part III, Line 9b: The organization has a written debt collection policy that also includes a provision on the collection practices to be followed for patients who are known to qualify for charity care or financial assistance. If a patient qualifies for charity or financial assistance certain collection practices do not apply.

Schedule H, Part I, Line 7

Effective June 30, 2010, St.Vincent Dunn Hospital, Inc. acquired certain assets including property and equipment, inventory, and prepaid assets and assumed certain liabilities of Dunn Memorial Hospital, Inc. The aforementioned assets and liabilities have been reflected in the balance
