Identifier	Return Reference	Explanation
Schedule J Part I Line 3		The Foundation relied on a related organization, Catholic Healthcare West, that used one or more of the methods described in Schedule J, Part I, Line 3, to establish the compensation of the person who is the top management official for this organization. The compensation was for services provided to the related organization, although the listed person provided approximately 1 hour per week to the filing organization as its top management officer. See Schedule O disclosure for Form 990, Part VI, Section B, Line 15 for additional information.
Part I Line 4A		The organization's key employees and its highest compensated employees participate in a severance plan established by its supported organization. The plan provides fair compensation, ranging from payments of 2 weeks to 36 weeks of base compensation, depending on the executive's position, in the event of a position elimination or other involuntary termination, in accordance with the guidelines.
Part I Line 4B		Certain listed persons hired prior to June 30, 2006 are eligible to participate in the CHW Executive Deferred Compensation Plan, a nonqualified 457(f) plan which is intended to provide a benefit approximating the difference, if any, between the benefit provided under the CHW Excess Benefit Plan and the benefit provided under the qualified benefit plan that substantially replaced the Excess Plan. No benefit will vest under the 457(f) plan before the later of the attainment of age 62 while employed or the completion of 15 years of service. Certain listed persons participate in the CHW Excess Benefit Plan, a nonqualified supplemental benefit plan limited to participants in the CHW Retirement Plan whose benefits are affected by the limitations imposed by sections 401(a)(17) and 415 of the Internal Revenue Code. Benefit service under this plan was frozen as of January 1, 2008. Certain listed persons participate in the CHW Key Employee Share Option Plan (KeySOP), which was frozen in May 2002. The KeySOP program was established in 2001 with the purpose of providing additional compensation to eligible employees, commensurate with their contributions to the success of CHW, in a form that would provide incentives and rewards for meritorious performance and encourage the recipients' continuance as employees of CHW. Grants of options could be made to any employee who was eligible for the Company's Key Employee Retention Program.
Part II Supplemental Disclosures		Although the organization does not directly employ any personnel, the supported organization's executive compensation philosophy is designed to assist in attracting and retaining the caliber of executives required to fulfill the organization's mission of providing high quality healthcare for all persons regardless of their ability to pay for services, improving the quality of life in the communities the organization serves, promoting employee satisfaction, and ensuring financial stability. A substantial portion of executive compensation is performance based and is linked to organizational goals approved in advance by the Compensation and Benefits Committee. These goals include attainment of annual and long-term financial performance, certain healthcare quality standards and the organization's commitment to serving the poor and disenfranchised in the communities it serves. The Compensation and Benefits Committee targets the 75th percentile of the market in which the organization competes for executives, commensurate with the size of the organization.
