Residents must be clean and sober for at least six months prior to coming into the program (if previous alcohol or substance abuse problems existed). Residents must maintain healthy control of any persistent mental health symptoms to include medication compliance and routine psychiatric care, be willing to voluntarily abide by the rules and regulations, and be free from the threat of violence and/or any pending criminal complaints. While supplying shelter, emergency food, clothing, transportation and some necessary financial assistance, HOS staff also provide residents with case management that helps them achieve self-reliance. Compliance and enforcement is ongoing and conducted by the Executive Committee of the Board and the CEO/President. Form 990, Part VI, Section B, line 15		The Board of Directors evaluates the performance and provides the Chief Executive Officer with an employment contract, which will be reviewed annually and must pass by a simple majority vote. Compensation and pay is within the limits established by the Board of Directors for the different positions. Salary levels are reviewed by the Board of Directors annually, or as deemed necessary. Eligibility for future pay adjustments is based upon on-the-job performance and the pay limits established for each position. Applicable pay increases, generally, take effect during the first week of July or on the employees anniversary date. All supervisors or Vice Presidents are required to meet with each employee at a face-to-face performance evaluation. These evaluations are generally conducted annually prior to the employees anniversary date. The purpose of the evaluation is to review employees on-the-job performances, identify areas needing improvement, set goals for the next evaluation period, and review duties to adjust and improve job descriptions. During the review process, the employee file will be reviewed and information in the file will be used to prepare the performance evaluation. Employees are encouraged to prepare for their performance evaluation by identifying issues of concern (and solutions), thinking about future goals, and looking for ways in which Home of the Sparrow, Inc. can assist for the next period.
