Part X	Description of Uncertain Tax Positions Under FIN 48	UWDB is required to assess whether it is more likely than not that a tax position will be sustained upon examination on the technical merits of the position assuming the taxing authority has full knowledge of all information. If the tax position does not meet the more likely than not recognition threshold, the benefit of that position is not recognized in the financial statements. UWDB has determined there are no amounts to record as assets or liabilities related to uncertain tax positions. Federal returns for the tax years 2006, 2007, and 2008 remain subject to examination by the Internal Revenue Service.
