		COMMUNITY BENEFIT REPORT This report illustrates the significant degree to which St John Senior Community contributes to the positive health status of the communities it serves. As a member of Ascension Health, the nation's largest Catholic healthcare system, St John Senior Community continues to build and strengthen sustainable collaborative efforts that benefit the health of individuals, families, and society as a whole. The goal of St John Senior Community is to perpetuate the healing mission of the church. Our concern for all human life and dignity of each person leads the organization to provide medical services to all people in the community without regard to the patient's race, creed, national origin, economic status, or ability to pay. St John Senior Community has engaged in the following activities to ensure that our mission is accomplished: Patient Services St John Senior Community provides the following inpatient services to the community: long-term care services, skilled rehabilitation services. Some of the services listed above operate at a loss in order to ensure that all services are available to meet community health care needs, including Medicaid patients. During the fiscal year ending June 30, 2010, St John Senior Community had an average daily census of 150 adults for a total of 54,868 patient days of service. Unreimbursed Services Provided to the Elderly and the Poor During the fiscal year ending June 30, 2010, approximately 21% of the values of services rendered were to elderly patients under the Medicare program, and approximately 65% of the services were provided to patients who were deemed indigent under state, county, or Health System guidelines. Financial Information The financial information presented below was prepared in accordance with the Catholic Health Association's (CHA) community benefit reporting guidelines. These guidelines recommend the following: Report care of the poor at cost, not charges. Do not include bad debt, contractual allowances, and quick pay discounts as part of care of the poor expense. Do not count Medicare shortfall as a community benefit. Report the net expense for community benefit services, i.e., the total community benefit expense minus any associated revenue from patients, payers, and other external sources. The CHA reporting guidelines reflect a conservative approach to reporting quantifiable community benefit. The goal of the reporting guidelines is to produce community benefit financial reports that reflect true costs and that describe community benefit activities that increase access to health care and improve community health. St John Senior Community information for the fiscal year ended June 30, 2010: 1) Care of the poor (at cost) \$0 2) Government sponsored health care (net expense) \$824,882 3) Unpaid cost of public indigent care programs (includes Medicaid, SCHIP, and other safety net programs, does not include Medicare shortfalls) \$0 4) Community benefit programs (net expense) \$0 Total quantifiable community benefit, as determined in accordance with CHA reporting guidelines: \$824,882 Supplemental Information: Bad debt \$86,379 Medicare shortfall \$264,565 Total quantifiable community benefit, including bad debt and Medicare shortfall \$1,175,826
