ASC 740-10 requires an organization to determine whether it's more likely than not that a tax position will be sustained upon examination on the technical merits of the position, assuming the taxing authority has full knowledge of all information. If the tax position does not meet the more likely than not recognition threshold, the benefit of that position is not recognized in the financial statements. The Foundation recorded no assets or liabilities related to uncertain tax positions as a result of the adoption of ASC 740-10. Tax returns for the years ending June 30, 2007, 2008, and 2009 remain subject to examination by the applicable taxing authorities.
