Part X	Description of Uncertain Tax Positions Under FIN 48	In order to account for any uncertain tax positions, the Foundation determines whether it is more likely than not that a tax position will be sustained upon examination on the technical merits of the position assuming the taxing authority has full knowledge of all information. If the tax position does not meet the more likely than not recognition threshold, the benefit of that position is not recognized in the financial statements. The Foundation recorded no assets or liabilities for uncertain tax positions in 2010 or 2009.
