MINNEAPOLIS PUBLIC SCHOOLS (MPS) INITIATIVES. AchieveMpls supports programs and initiatives that increase academic success for children in the Minneapolis Public Schools. The programs supported by AchieveMpls include Check and Connect, a drop-out prevention effort, Arts for Academic Achievement, STEM initiatives to promote Science, Technology, Engineering and Math, GEMS (Girls in Engineering, Math and Science) and GISE (Guys in Science and Engineering), AVID (Advancing through Individual Determination), a program to develop study skills for rigorous coursework, and projects that support early literacy, healthy lifestyles and student leadership development. Examples of MPS Initiatives are: High School Transformation. The overall objective of this initiative is to significantly improve the high school graduation rate by creating innovative small learning communities (SLC) strengthening the connections between students and teachers and providing a more personalized education. Arts for Academic Achievement. The purpose of this program is to increase academic achievement and skills for academic success through the use of proven strategies in the arts, including observational drawing, tableau, reader’s theater, visual thinking strategies and early childhood music learning. The program links working artists and classroom teachers in sustained projects that build skills through the integration of the arts. Principal Leadership and Teacher Training.
