Schedule I Disclosures	Schedule I Part 1 Line 2	Wheaton Franciscan Healthcare and Franciscan Ministries maintain files and records to manage the decision-making and award process for organizations that it provides community sponsorship dollars to. Decisions are made by a Community Sponsorship Committee with leaders who hold positions in Diversity, Strategic Planning, Mission Services, Marketing and Philanthropy. The Committee generally strives to sponsor organizations that have missions that align with the mission, vision and values of Wheaton Franciscan Healthcare. The committee also looks for certain other criteria when deciding which organizations will receive contributions, including but not limited to supporting healthcare related activities within the Southeast Wisconsin, Iowa, and Illinois markets, supporting programming that work to further diversity and cultural competency, aligning with other WFH business relationships or service lines, supporting student academic achievement or workforce development initiatives, and finally, supporting environmental "green" initiatives. Leaders periodically meets with representatives of sponsored organizations to discuss objectives including how dollars will be spent. Currently, confirmation letters are sent to sponsored organizations when award dollars are given that confirm the dollar amount awarded and the intended purpose, with a request that the recipient acknowledge receipt of the funds in written correspondence. Files are maintained in the Organizational Change and Leadership Performance Department to include copies of letters of request, award and denial letters along with acknowledgement receipts from sponsored organizations.

Schedule O Disclosures	Various - See the following references	<p>IRS Form 990 Part VI Section A Lines 6-7 Sartori Health Care Foundation, Inc has one member which holds several reserved powers over Sartori Health Care Foundation, Inc. These reserved powers include, but are not limited to, the election of members of the governing body and election of officers, approval of certain financial expenditures in accordance with policy, and approval of budgets and strategic plans, these approvals are based on recommendations from the governing body. IRS Form 990 Part VI Section B Line 10 Wheaton Franciscan Healthcare and Franciscan Ministries are part of a controlled group of health care and housing providers, controlled under a common parent organization Wheaton Franciscan Services, Inc. Some of these organizations are exempt through the Catholic Group Ruling and other organizations have a stand alone exemption (IRS determination) letter. As such, these related affiliates have certain policies and procedures that were adopted at the parent level, but are applicable to the entire controlled group of organizations. All policy and procedure matters are handled in a manner to ensure that all activities are consistent with the organization's overall exempt purposes. Please see Schedule R for a full listing of all related affiliate organizations. IRS Form 990 Part VI Section B Line 11 Affiliates of Wheaton Franciscan Healthcare use a multiple-level review process on all Federal and State information and tax returns to ensure accurate and timely filing for all organizations. Under the direction of the Tax Manager, the Accounting Department prepares Forms 990, 990-T, and associated state filings. When complete, the return is first reviewed by the Accounting Director, who focuses on the income statement and balance sheet items, and all schedules where transactions of this type might be reported. If discrepancies are found, the item will be corrected prior to the next step in the review process. Once cleared through Accounting, the return is provided to the Tax Department, where the Tax Manager and Vice President of Treasury and Risk Management focus their review on consistency of reporting between all returns, accuracy of tax related information, and explanation and understanding of any outliers. Again, any problems or questions are investigated and corrected. Depending on the level of complexity of the year in question, as well as the individual issues specific to that filing, certain returns may be selected for outside review by a public accounting firm. This decision will vary from year to year based on many factors, and sometimes outside review is not utilized at all. Also, certain schedules, such as Schedule K, Schedule H, and Schedule J, may be selected for review by outside bond counsel, a community benefit associate, and/or the compensation committee respectfully and as needed. This decision will vary from year to year, again based on many factors. The Tax Department, upon completion of all levels of review, will schedule an appointment with the Senior Vice President and CFO, who will perform a review prior to signing the return. Once signed, the return is cleared to provide to members of the Board of Directors. The parent organization, Wheaton Franciscan Services, Inc. has designated that the Audit Committee review the parent return in certain years. This is a cursory review, where the 990 is explained at a high level by management representatives, and any questions or concerns that the board have can be addressed. At a later date and prior to e-filing, the full board is provided access to all 990's and 990-T's throughout the system via an online portal. A similar process exists at the regional holding company level - a 990 is selected for review in certain years by the Finance and Operations Committee. Similarly, the 990 (and accompanying 990-T if any) is explained at a high level, and board questions or concerns are addressed. Members of the full board are provided access to all 990's and 990-T's within that region prior to e-filing via an online portal. IRS Form 990 Part VI Section B Line 12 As part of the annual process, conflict of interest questionnaires are sent out to all Officers, Directors, and other individuals in key positions in order to capture information on potential conflicts, as well as information on business and family relationships for purposes of answering certain questions on IRS Form 990. Responses to these questionnaires are reviewed weekly by the Vice President of Compliance, the Manager of Tax Compliance, and the Manager of Legal Services. Responses to questions are documented in a spreadsheet for follow up at a later time. After an approximate 6 week time frame, names of all non responders are compiled, and these individuals receive either an email or letter with a duplicate questionnaire, asking them once again to complete the information. Responses to questionnaires continue to be reviewed and documented throughout this time period. Approximately 1 m</p>
