COMPENSATION PROCESS	FORM 990, PART VI, LINE 15A	Compensation for the President is fixed by a three year written contract containing an annual percentage increase over the three year term. No additional bonuses, incentive payments, or other compensation is paid in addition to the contractual sum. The amount of compensation is determined by a Compensation Committee, appointed by the Chairman of the Board. This committee consisted of board members with various professional, legal, and business backgrounds. The Compensation Committee determines the salary parameters based on an extensive review of salaries and compensation paid presidents of other similarly sized universities, including data from the Carnegie Classifications published in the Chronicle of Higher Education. Negotiations between the committee and the President lead to a draft contract that is submitted to the Lindenwood University Board of Directors Executive Committee for review, comment, and oversight instruction. Changes, modifications, and recommendations from the Executive Committee lead to further negotiations with the President in order to implement their recommendations. The final contract draft is then submitted to the full Lindenwood University Board of Directors for approval.
